**PLEASE READ THIS FRONT PAGE PRIOR TO
LOOKING FOR YOUR PERFORMANCE TIMES 😊**

Hello all participants and parents,

Attached you will find your dancers scheduled meeting times as well as their performance times.

***Please note – Your “meeting time” is the time that you will meet with your instructor and group for rehearsal and warm up prior to performance.** You **MUST** be ready in costume and make-up and be on time to meet your group. Dressing rooms are provided at the venue please allow yourself enough time to get ready and be ready to meet at the “meeting times” listed.

Tap Shoes - Please be sure to carry tap shoes as they are only allowed to be worn on stage and the backstage area. Be sure to wear runners when rehearsing to avoid damaging performance tights.

After your category has finished awards, please be sure to put all costume pieces, shoes etc back into your garment bags/dance bags to avoid losing any pieces to your costumes or getting them mixed up with other dancers. *Bring your costume check lists to be sure.

Here is a list of rules set out by the festival committee. Please review with your dancer and familiarize yourself with these rules and abide by them.

- **Admission & Programs:** All spectators (parents, siblings, friends, family) are required to purchase admission for the day or the weekend prior to entry into the theatre. Admission is \$5 per person per day OR \$17 per person for the weekend. Debit and Credit machines are available and are subject to service fees. Please bring cash. Programs are available for purchase at the admissions table.
- **Dance Off Admission:** All spectators (including dancers who are watching and not dancing in the Dance Off) are required to purchase a *separate* admission for the Dance Off. Dance Off tickets are \$10 per seat. Tickets will go on sale in the afternoon on Saturday once all of the groups are done. Dance Off tickets are non-refundable so be sure to purchase them only if you need them.
- **Backstage:** only teachers with a backstage pass (you signed up and paid for these when you registered) and dancers will be allowed backstage. Parents are permitted backstage only if they are assisting with the set up of props and must have valid proof of admission.
- **Running Ahead of Schedule:** we may run ahead of schedule at times and reserve the right to run up to 30 minutes ahead. Make sure your students and parents are aware of this in the event it does happen.
- **Prompting:** teachers, dancers and parents are prohibited from prompting dancers during all performances.
- **Cameras & Recording Devices:** no cameras or recording devices of any kind may be used in the theatre. Please let your parents know that failure to comply can result in disqualification of the routine (not just the dancer).
- **Adjudicators:** our adjudicators are chosen from some of the most talented, knowledgeable, experienced and respected professionals that are involved in today's dance industry. Our judges are hired to give a positive verbal adjudication to all the dancers in every category in order to benefit students. Parents and teachers are asked to refrain from speaking with any of the judges during the event.
- **Sportsmanship:** good sportsmanship and conduct is mandatory at all festivals from all dancers, teachers, parents and spectators.
