

EURHYTHMICS DANCE STUDIO, INC
20th ANNUAL YEAR END RECITAL INFORMATION
SUNDAY, MAY 28th, 2017 - 1:30PM
JUBILEE AUDITORIUM - CALGARY, AB

To All Parents and Dancers,

Please read the procedure of this year's 20th annual year end recital and abide by all rules, regulations and procedures to make your dancers' special day run smoothly.

Dancer Drop off Instructions - Please see the performers drop off map that was emailed and is also posted in the studio. Dancers in the first half of the show must be brought to the stage door this way. No parents are allowed to park in the staff area to drop off their dancer(s). You must park your vehicle then walk your dancer to the stage door. Dancers will be greeted by a volunteer at the stage door. This volunteer will take them to their assigned dressing room. Absolutely, no parents are allowed back stage unless you are a volunteer. This is very important that you follow this procedure. The same will apply if you are dropping off your dancer for the second part of the show.

***Dancers in the first half of the show must remain backstage and can be picked up after the awards presentation at the end of the show. This will allow us to keep a head count on dancers as well as for your safety of your dancer. The theatre and its staff will enforce this so please be sure to cooperate.**

Please follow this simple procedure as we want to continue to build a good rapport with the theatre and its staff. This is a great facility and we would like to continue to use it for our future recitals.

Recital Information

- 1) If dancers are in the first half they must be in their dressing rooms in costume no later than 1:00pm - A volunteer will guide them to their dressing room once you drop them off at the stage door (see above for guidelines) You will be able to pick up your dancer at the end of the show.
